Words From the Pastor

WHAT ARE YOUR DREAMS FOR ST. PHILIP'S

At our leadership retreat on January 6th, I asked our leaders "Who are our neighbors?" After some discussion, we spent time brainstorming about what we could offer our "neighbors." We envisioned parenting classes, babysitting services by our youth, mid-week meal and family-related program, recreation activities, transportation for shut-ins, recovery ministries, bereavement support groups and that is just a few of the dreams our leaders had for our church.

What are your dreams for St. Philip's United Methodist Church? Can you picture the church in five years, in ten years? What do you see or rather what do you hope to see? What you see makes all the difference in what we can accomplish. If we can get enough people seeing an active, vital, healthy church, God will make it happen in us and through us. In your Campanile this week is the final prayer card. The question on the card is "What are your dreams for St. Philip's?" I hope you will spend some time reflecting on who your neighbors are, what their needs are, and what we can do to help. Then pray for your church, record your dreams and return the card the next Sunday.

I believe God wants to do great things through this church. May God's thoughts be our thoughts. May God's dreams be our dreams. And let us praise God from whom all blessings flow.

Music Notes

CALLING ALL INSTRUMENTALISTS: If you play a musical instrument (including handbells), please let me know ASAP. I am currently planning music for Holy Week and Easter and need to know what talent we have available here at St. Philip's. The best way to reach me is via e-mail: foster1859@sbcglobal.net.

The hunt is on! We are looking for a new children's choir director. After many years of loving, dedicated service, Min Oliver has stepped down. We are very grateful for her ministry in this capacity, but look forward to finding out who God has called to fill her shoes.

I would also like to take this opportunity to thank everyone for making me feel so welcome here at St. Philip's. It is a tremendous joy to be serving with you!

In Him,

Glenn Foster, Director of Music Ministries

Meet our newest addition to the church staff, Jenny Kwon, organist. Come and hear her play on Sundays at the 11:00 am service. Jenny is a fine addition!

Prayer Ministry Reports

The stated mission of the Prayer Ministry is to strengthen the life, work and vision of the church through increased prayer and openness to God's direction. Joining the Prayer Ministry are: Becky Edmonson, Diane Hollingsworth, Carolyn Hopperstad, Billie Kaufman, Cheryl Little, Doris Naney, Vivian Oliver, Barbara Upshaw and Deanna White with Dotty Herfurth as chairperson. These dedicated ladies have made it their mission to pray for members and friends of St. Philip's as the circumstances require. If requested of the person asking for prayers, information will be held confidential, known only to the Prayer Ministry. If not, the requests will be freely given to all interested church members through the bulletin or Campanile so that more prayers may be offered.

In addition, our St. Philip's youth group has formed a Prayer Ministry of their own and concerns of young people can be directed to them. I have been advised that the entire Youth Group is involved in this ministry and calls can be directed to Kirby White, president of the group. His phone number (713) 981-9326 or call Ben Hinshaw at 713-666-2175 ext. #13.

If you have a prayer request, please put it in the box marked "Prayer Request Box" at the Narthex, or you can call Dotty Herfurth at (713) 771-5021.

INFORMATION NEEDED!

As we are beginning our new ministries to and with young adults here at St. Philip's UMC, we are in need of information. We already have a great core group that is ready to grow, both in number and in Spirit, but we would like to reach out to all of the young adults that have been associated with our congregation and were just waiting for a ministry specially designed for them. Email addresses are preferred, but any contact information would be greatly appreciated. Also, feel free to tell them about our program, and encourage them to visit our website for more detailed information, as it becomes available.

Thank You Note

To: Rev. Lisa, Ralph Tamper, Ally Jurden and all my St. Philip's family

Words can't express what your love, concern and thoughtfulness meant to me and my family in the loss of my son, Mark. God gives us blessings as all of you help us face whatever comes our way. With love and thanks to all of you,

Carolyn Hopperstad
